

A Delaware C-Corporation | AI-Native Development Studio

INDEPENDENT CONTRACTOR ENGAGEMENT LETTER

Date: July 3, 2026

To: Atin Sharma

From: Amardeep Singh Pal, CEO — AGI Ready Inc.

Dear Atin,

We're excited to extend this engagement offer to you at **AGI Ready Inc.** You stood out for the right reasons — builder instincts, trajectory, and the kind of AI-native fluency we're betting on. This letter outlines the terms of your engagement as an Independent Contractor with AGI Ready.

1. Engagement Overview

Role	Full-Stack Developer — Pathways Program
Engagement Type	Independent Contractor
Start Date	July 2, 2026
Work Arrangement	Full-time, Remote
Reporting To	Amardeep Singh Pal, CEO
Probation Period	3 months (July 2, 2026 – October 1, 2026)

2. Scope of Work

As a core builder at AGI Ready, you will be responsible for:

- Building and shipping full-stack features using **Next.js, TypeScript, and Node.js**
- Architecting and integrating APIs — third-party services, AI APIs, webhooks, and async workflows
- Using **Claude Code** and **Codex** as primary development tools, operating as a vibe engineer — directing AI with architectural judgment, not just prompting
- Debugging, deploying, and owning production systems end-to-end
- Breaking complex client problems into smaller deliverables and shipping iteratively
- Working directly with the founder and a tight team across multiple client products

You will not be handed perfect tickets. You will be handed problems and trusted to solve them.

3. Compensation

Your compensation is structured around a **Probation Period** of three (3) months, with progression tied to performance:

3.1 Compensation Structure

Period	Monthly (INR)	Annualized
Months 1–3 (Jul 2 – Oct 1, 2026)	Rs. 50,000	Rs. 6,00,000
Month 4 onward (from Oct 2, 2026)	Rs. 70,000	Rs. 8,40,000

3.2 Post-Probation Compensation

Upon successful completion of the Probation Period, your ongoing compensation will be **Rs. 70,000 per month** (annualized equivalent of Rs. 8,40,000), effective October 2, 2026, subject to terms mutually agreed upon at confirmation.

3.3 Performance Bonus

In addition to the compensation above, you will be eligible for a **performance-based bonus of up to twenty percent (20%) of your annual compensation**. The actual bonus amount, if any, will be determined by AGI Ready at its sole discretion based on the quality, impact, and consistency of your work, and may be paid at such times as AGI Ready determines. The bonus is discretionary within the stated cap and does not constitute a guaranteed or recurring entitlement.

3.4 Payment Terms

- All payments shall be made in **Indian Rupees (INR)** via bank transfer.
- Payment shall be made within **seven (7) business days** of the end of each calendar month.
- You are solely responsible for all applicable taxes, filings, and statutory obligations in your jurisdiction of residence.

3.5 Progression Conditions

- Progression from the Probation Period compensation (Rs. 50,000) to the post-probation compensation (Rs. 70,000) is contingent upon a satisfactory **end-of-probation performance review** conducted by the CEO.
- AGI Ready reserves the right to extend the Probation Period by up to thirty (30) days, or to terminate the engagement at any time as set out in Section 9.

3.6 Employment Conversion & ESOP Eligibility

Upon successful completion of the Probation Period, AGI Ready may, at its sole discretion, offer to convert your engagement to **full-time employment**. If converted, you would become eligible to participate in AGI Ready's **Employee Stock Ownership Plan (ESOP)**, subject to the terms of the plan, board approval, and a separate grant agreement. This clause is a statement of intent only — it does not constitute an offer of employment or a grant of equity, and no equity or employment rights accrue unless and until separate definitive agreements are executed.

4. Performance Review

A formal performance review will be conducted at the end of the Probation Period (on or around **October 1, 2026**), with informal check-ins along the way. This review will assess:

- Quality of code shipped and production readiness
- Ability to independently scope, architect, and deliver features

- Effective use of AI development tools (Claude Code, Codex)
- Communication, reliability, and ownership of deliverables
- Alignment with AGI Ready's pace, standards, and working culture

The outcome of this review will determine your confirmation, compensation progression as outlined in Section 3, eligibility for any performance bonus, and consideration for employment conversion under Section 3.6.

5. Independent Contractor Status

You acknowledge and agree that:

- (a) You are engaged as an **Independent Contractor**, not an employee of AGI Ready Inc.
- (b) This engagement does not create an employer-employee relationship, partnership, joint venture, or agency relationship.
- (c) You are solely responsible for your own income taxes, goods and services taxes, health insurance, benefits, retirement contributions, and compliance with all local, state, and national laws applicable to your work.
- (d) AGI Ready will not withhold taxes, provide employment benefits, or make statutory contributions on your behalf.
- (e) You retain control over your working hours and methods, provided deliverables and deadlines are met.

6. Intellectual Property Assignment

6.1 Work Product

All work product, deliverables, code, designs, documentation, inventions, discoveries, improvements, and materials of any kind (collectively, “**Work Product**”) created, developed, or conceived by you in the course of, or arising out of, this engagement shall be the sole and exclusive property of **AGI Ready Inc.**

6.2 Assignment

You hereby irrevocably assign, transfer, and convey to AGI Ready Inc. all right, title, and interest — including all intellectual property rights, copyrights, patents, trade secrets, and moral rights — in and to all Work Product. This assignment is effective upon creation of the Work Product and applies worldwide and in perpetuity.

6.3 Moral Rights

To the extent permitted by law, you waive any and all moral rights in the Work Product, including rights of attribution and integrity.

6.4 Further Assurance

You agree to execute any additional documents and take any further actions reasonably requested by AGI Ready to perfect, register, or enforce its rights in the Work Product.

6.5 Pre-Existing IP

Any intellectual property owned by you prior to this engagement (“**Pre-Existing IP**”) remains your property. If any Pre-Existing IP is incorporated into Work Product, you grant AGI Ready a non-exclusive, royalty-free, perpetual, irrevocable, worldwide license to use, modify, and sublicense such Pre-Existing IP as part of the Work Product.

7. Confidentiality & Non-Disclosure

7.1 Non-Disclosure Agreement (Condition of Engagement)

As a condition of this engagement, you are required to execute AGI Ready's **Non-Disclosure Agreement (One-Way / Discloser–Recipient)** (the “**NDA**”) concurrently with, or prior to, signing this letter. The NDA governs in detail your obligations regarding confidential information, security measures, return and mandatory deletion of Company materials and the Codebase, data protection, non-solicitation, and restricted competing activities. This engagement shall not commence, and no access to AGI Ready systems or client materials will be granted, until the NDA has been executed.

7.2 Summary Obligations

Without limiting the NDA, you agree to: (a) hold all Confidential Information in strict confidence; (b) not disclose Confidential Information to any third party without prior written consent from AGI Ready; (c) use Confidential Information solely for the purpose of performing work under this engagement; and (d) take reasonable measures to protect the confidentiality of such information.

7.3 Precedence

In the event of any conflict or inconsistency between this letter and the NDA with respect to confidentiality, security, return or deletion of materials, non-solicitation, or restricted competing activities, **the terms of the NDA shall prevail.**

8. Non-Compete & Non-Solicitation

8.1 Non-Compete

During the term of this engagement and for a period of **twelve (12) months** following its termination, you agree not to, directly or indirectly:

- (a) Engage with, provide services to, or accept an engagement from any client of AGI Ready that you worked with or had access to Confidential Information about during your engagement.
- (b) Build, launch, or contribute to a competing AI development studio, agency, or product that directly competes with AGI Ready's core services (AI automation, agent development, and custom AI product development for clients).

8.2 Non-Solicitation

During the term of this engagement and for a period of **twelve (12) months** following its termination, you agree not to directly or indirectly:

- (a) Solicit, recruit, or hire any contractor, employee, or team member of AGI Ready.
- (b) Solicit or divert any client or prospective client of AGI Ready for competitive purposes.

8.3 Scope

This non-compete is limited to the specific services and client relationships described above. It does not prevent you from working as a software developer generally, freelancing for non-competing clients, or building your own products unrelated to AGI Ready's services.

8.4 Relationship to NDA

The restrictions in this Section 8 operate alongside the non-solicitation and restricted-activities provisions of the NDA (Sections 9 and 10 thereof). In the event of any conflict, the NDA shall prevail.

9. Termination

9.1 Termination by AGI Ready

AGI Ready may terminate this engagement **at any time, with immediate effect, with or without cause**, by written notice to you (including by email). No notice period or severance is owed. Upon such termination, AGI Ready's sole payment obligation shall be compensation for work performed through the effective date of termination, calculated pro-rata and paid in accordance with Section 3.4.

9.2 Termination by You

You may terminate this engagement at any time — during or after the Probation Period — by providing **thirty (30) days' prior written notice** to AGI Ready. During the notice period you shall continue to perform the Services diligently, complete an orderly handover of all work in progress, and comply with all obligations under this letter and the NDA. AGI Ready may, at its discretion, waive all or part of the notice period, in which case termination takes effect on the date of waiver.

9.3 Effect of Termination

Upon termination for any reason, you shall: (a) immediately cease all work; (b) return all AGI Ready property, materials, and access credentials; (c) deliver all completed and in-progress Work Product; (d) comply with the return and deletion obligations set out in Section 4 of the NDA; and (e) submit a final invoice for work completed through the termination date.

10. General Provisions

10.1 Governing Law. This agreement shall be governed by and construed in accordance with the laws of the State of Delaware, United States, without regard to conflict of law principles.

10.2 Dispute Resolution. Any dispute arising out of or in connection with this agreement shall first be attempted to be resolved through good-faith negotiation. If unresolved within thirty (30) days, disputes shall be submitted to binding arbitration under the rules of the American Arbitration Association.

10.3 Entire Agreement. This letter, together with the NDA, constitutes the entire agreement between the parties with respect to its subject matter and supersedes all prior discussions, representations, and agreements.

10.4 Amendment. This agreement may only be amended in writing, signed by both parties.

10.5 Severability. If any provision is found unenforceable, the remaining provisions shall continue in full force and effect.

10.6 Waiver. No waiver of any provision shall constitute a waiver of any other provision or of the same provision on a future occasion.

ACCEPTANCE

By signing below, you acknowledge that you have read, understood, and agree to all terms outlined in this Independent Contractor Engagement Letter, and that you have executed (or will concurrently execute) the NDA referenced in Section 7.
